META CRAN

Tooling around CRAN

Gábor Csárdi
Outline

What is METACRAN?
Web site demo
CRAN is great to build on

It just works!
Installs and examples
Great first impression
Stable API
METACRAN goals:

Guide users to find and discover packages

Make data accessible and searchable for developers
Organizing information
Classification

Organize into categories
Web directory

Hand edited

Recreation /
games /
board games /
chess
"No, we didn't know the Yahoo Directory was still a thing either."
